WHISKEYS

Jasmine Bar is an award-winning Great Whiskey Bar of the World. Our Bar Team recommends the following Irish Whiskeys and Whiskey Cocktails

Redbreast 12 <i>The Robin redbreast is the only bird which sings continuously throughout the dark Irish winters and is one of the very few small birds that choose to winter in Ireland. It is this Enduring spirit which inspires its namesake, Redbreast Whiskey.</i>	€8.00
Greenspot <i>Is a 100% single pot still whiskey that can trace its roots to the early 1900's, when Jameson sold whiskey to wine merchants Mitchell & Son. The current bottling made at Midleton from 7-10-year-old pure pot still whiskey, with 25% coming from sherry casks. Made in very limited quantities it is highly prized by both drinkers and whiskey writers.</i>	€8.00
Connemara Peated Malt <i>Ireland's only selection of peated malt whiskey which includes the cask strength and the single cask. Connemara Peated Single Malt has won more Gold Medals in the last decade than any other Irish Whiskey.</i>	€6.60
The Dublin Liberties Copper Alley <i>This is a 10-year-old single malt that was initially aged in traditional ex-American Bourbon oak before given a finishing period in fine 30-year-old Oloroso sherry barrels for around 6 months. Just 31 sherry casks were chosen for this bottling which is limited in numbers. Copper Alley is in the heart of Dublin city and was once a bustling centre for tradesmen, craftsmen and whiskey taverns.</i>	€7.70
Prizefight <i>Is a unique Irish whiskey that was distilled at West Cork Distillery and aged in barrels sourced from Tamworth Distilling in New Hampshire, USA. The rye barrel maturation has added some subtle mint and herb notes whilst giving the whiskey a fresh and lively character.</i>	€10.00
